

Departure Checklist

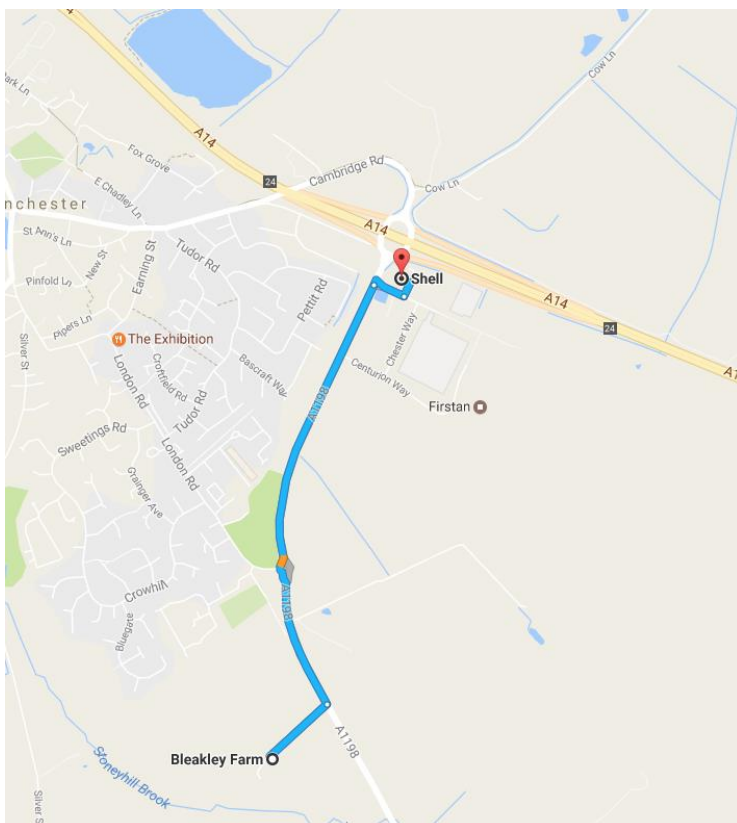

Before you set off have you checked?

Externally:

- Turned the gas off
- Made sure the electric hookup has been removed
- Checked all outdoor storage/doors are locked
- Emptied grey water (if returning to the depot)
- Emptied and cleaned the toilet cassette (if returning to the depot)

Internally:

- Turned the fridge to battery setting or turned off
- Turned the pump and master switch off
- Locked the internal door
- Made sure all drawers and cupboards are locked
- The glass covers for the sink and stove are down
- There is nothing in the oven or grill
- Any items in the fridge are secure
- All windows are shut or locked in place
- All passengers in the back have seatbelts

The fuel needs to be full upon return otherwise you will incur a charge. We recommend filling up at this Shell garage off the A14 which is a few minutes away from the storage depot.

Unless you have made a prior arrangement, returns by 11am.

Please contact us either the morning of your return or the day before to let us know a time so we can meet you.
